

# AWARDS

---

Students are eligible for nonacademic awards that are given annually at the May Commencement.

## Outstanding Student Award

The Student Government Association sponsors this award which is given to the graduating senior who, through his, her, or their creative leadership and ability, has made a contribution of lasting value to the future of Monmouth University. Students who are nominated must be in good standing with the University (i.e., academic, judicial, financial) in order to be considered for this recognition. The announcement of the winner takes place at the May Commencement.
