

# CREDIT HOURS DEFINED BY COURSE TYPE

---

Information regarding credit hours by course type (<http://www.monmouth.edu/university/credit-hours-defined.aspx>) is available on the Monmouth University Web site.

This resource provides the following information for all lecture, seminar, laboratory, clinical, and art studio classes:

- Course-type definitions;
- Minimum contact time per week;
- Minimum instructional time total;
- Minimum out-of-class student work per week and total per semester;
- Total number of instructional contact hours and student work out-of-class hours.

Please visit the Monmouth University page to obtain the detailed information regarding this topic.
