

UNIVERSITY E-MAIL

Monmouth University provides all students with a Monmouth University e-mail account. When communicating via e-mail with University offices, students should use their Monmouth e-mail account so as to easily establish identity. Official communications are sent exclusively to the student's Monmouth University e-mail account, such as:

- Grade reports
- Semester schedules
- Registration information
- Academic announcements
- Graduation deadlines
- Change-of-class notifications
- Academic standings
