The Leon Hess Business School (LHBS) is currently ranked in the top 300 of the 2,000 schools of business in the United States, is a community of teacher-scholars educating students to develop strong leadership skills in achieving organizational excellence and sustainability: the integrated strategic management of interlocking economic, social, technological and ecological systems in which organizations operate. The LHBS is accredited by AACSB International – the Association to Advance Collegiate Schools of Business. AACSB accreditation is the hallmark of excellence in business education, and has been earned by less than 5 percent of the world's business programs. Today, there are 727 business schools in 48 countries and territories that maintain AACSB accreditation.

Within the LHBS are two Centers of Distinction.

1. The first is the Kislak Real Estate Institute. The Institute is the sole provider of both undergraduate and graduate academic credit-bearing real estate education in the State of New Jersey.
2. The second, the Center for Entrepreneurship is directed by Dr. Joseph McManus of the Management and Decision Sciences Department. The Center has been nationally recognized for its innovative teaching in the field of entrepreneurship and product designs.

The School of Business is most fortunate to have two professors who are endowed Chairs.

- Professor Donald Moliver holds the Steven and Elaine Pozycski Endowed Professor Chair in Real Estate.
- Professor Nahid Aslanbeigui holds the Kvernland Endowed Chair in Philosophy and Corporate Social Policy.

Student Honor Society: Beta Gamma Sigma

The top 20 percent of MBA graduates and 10 percent of undergraduate junior and senior students are eligible for election to Beta Gamma Sigma, the International Honor Society for AACSB-accredited business schools.
