<sup>1</sup> Monmouth University grants three credits for each of the five General Examinations, completed with a minimum score of 52. CLEP exams taken prior to July 1, 2001, require a minimum score of 481.

<sup>2</sup> Monmouth University grants credit to the subject matter covered by the examination when the score is at or above the fiftieth percentile.

<sup>3</sup> EN-202 Literature II: Neoclassical to the Present (3 cr.) equivalent for non-English majors only.

<sup>4</sup> Monmouth University does not accept CLEP test results after a student has been enrolled.

## Prior Learning/Portfolio Assessment Program

Students who have been working, managing a home, volunteering in the community, traveling, serving in the military, or studying independently may have acquired some college-level learning from these experiences.

It is possible to have this learning evaluated and receive credit. Credit is granted for learning rather than the experience itself, and is awarded when the learning is closely related to the subject matter of a Monmouth course. Students who wish to earn credit for learning from work and life experience will be asked to prepare a portfolio that describes and documents that learning. Additional information is available from the Office of the Registrar.

## Credit by Examination

Credit by Examination is a process for granting academic credit for a life experience with an academic parallel. The term “life experience” connotes a learning experience equivalent to an academic course in an accredited institution on the college level. Credits obtained by examination are accorded the same status as transfer credit and consequently are not used in the computation of the grade point average. Credit by examination is counted as part of the maximum allowable transfer credits for an academic program. Undergraduate students earning credits by examination for languages cannot use these credits to satisfy the cultural diversity (CD), global understanding (GU) or world language (WL) general education requirement.

Interested students should apply to the appropriate academic departments. Details about these procedures are available in the Office of the Registrar.

## Applied Music

Applied Music is private instruction in a particular instrument or voice. The student should discuss his/her desire to take applied music with a Monmouth University music faculty member and then register directly in the Music Department. The student may earn as many as six (6) credits in Applied Music and will be awarded the credit after successful completion of the lessons and the payment of the credit by examination fee. Credit for Applied Music will be treated in the same manner as credit by examination (see above).

Additional guidelines are available online on the Office of the Registrar forms Web page (<http://www.monmouth.edu/registrar/forms.asp>).
